Ms. Archer presented a proposal from Knapp Supply for a convection countertop steamer in the amount of \$5,116.75. The Board directed Ms. Archer to research the installation cost.

ELECTED OFFICIALS

Treasurer

Treasurer, Cindy Baldwin, invited the Board to attend the County Treasurer's Association meeting beginning May 24, 2005.

Sheriff

Sheriff Colson introduced Mike Morris, the new Undersheriff. Mr. Colson reported that with a portion of the Sheriff's 2005 Homeland Security funding he would like to add security devices to the entire Courthouse. This would include security cameras, panic buttons, a walk-through metal detector for Circuit Court, and four automated external defibrillators (AEDs) totaling approximately \$32,000.00.

Mr. Colson reported that he has already purchased several taser guns with drug seizure funds and requested authorization to purchase four additional tasers for his department from the 2005 Sheriff's Office budget.

Commissioner Weickum moved to authorize Sheriff Colson to purchase additional tasers plus magazines in the total amount of \$4,963.70 to be paid from the Sheriff's Office 2005 budget. Commissioner Meacham seconded and the motion carried unanimously.

EMERGENCY MANAGEMENT

Greg Zabel reported on the 2005 Emergency Management performance grant stating that the grant requests that the County budget matching funds.

Commissioner Meacham requested Greg Zabel and Linda Smith correspond with the State regarding the condition of the roof and leach pond at the Armory to come up with a solution to the problems.

COVE

Karen Labeda of COVE, requested the county sponsor a Substance Abuse Division Prevention

Block Grant 2006 Grant Application in the amount of \$300,000.00. The group stated that the funding would be used to purchase land for a building to house several social service entities offices.

The Board listened to the proposal, and also suggested the individuals look further into other options for office space, such as the possibility of adding an addition to the Carbon Building or occupying one of the elementary school buildings if they are abandoned. No action was taken.

COALBED METHANE COALITION

Mickey Steward, of the Coalbed Methane Coalition, summarized road issues and damage caused by added traffic for mineral development. She recommended Carbon County consider applying for road funding from the State Land & Investment Board to assist with these issues.

JAIL COMMITTEE

Sheriff Colson, Randy Shinkle, and Gary Olson reported that the housing area in the new jail is still not finished however the kitchen is now preparing meals and delivering them to the current jail. Mr. Olson stated that even with delays in construction, he expects considerable savings to be passed on to the County at the end of the project.

Mr. Olson stated that LM Olson is in litigation with a subcontractor.

Commissioner Meacham moved to accept Planning & Zoning Case File #05-12, Paul & Patricia "Patti" Weber's request for a Zone Change from Ranching, Agriculture, Mining (RAM) to Rural Residential Agriculture (RRA-19.804) on approximately 19.804 acres and set it for public hearing June 7, 2005 at 2:00 p.m. at the County Courthouse, Rawlins, Wyoming. Commissioner Weickum seconded and the motion carried unanimously.

Commissioner Weickum questioned progress of the Planning & Development Commission's progress on revisiting the Carbon County Zoning Resolution. The men answered they are in the progress and await its attorney's answer to several questions posed by the Planning Commission.

ECONOMIC DEVELOPMENT CORPORATION

Harry Lovato, Barney Conway, and Bill Vasey reported that the current Economic Development Corporation (EDC) director, Jay Grabow, will resign on June 10, 2005. Mr. Lovato reported on the status of several projects and future plans for those projects.

The group stated that without committed funding sources, they are planning on conserving the funding they currently have. Mr. Lovato stated he has begun initial communication with various oil companies to request they be paying members of the EDC.

Mr. Vasey questioned specific goals or ideas the Board would like the EDC to meet. Chairman Zeiger replied that he would like the EDC director to visit various business and individuals in the county and specifically ask each his ideas and attitudes towards economic development. Chairman Zeiger requested the director report his findings monthly to the Commissioners.

Commissioner Weickum replied that he would like to see more economic development done in the county but did not state specifics.

COOPERATIVE EXTENSION SERVICE

Zola Ryan stated that there has been a new 4-H agent hired and because of the volume of information for this new hire to learn, CES would like to hire a summer intern. Mr. Ryan stated there is extra funding in its 2005 budget that CES would like authorization to use to pay the intern. The Board replied that CES may expend its budget as they desire as long as they don't over expend its total budget.

Ms. Ryan reported that CES has started a Master Gardner program. She requested authorization to have her Master Gardner's use the small park located by the Carbon Building for projects. The Board replied that Ms. Ryan should coordinate with the Rufus Henson who is the hired lawn care person, Linda Smith, and Carbon Building Manager Kandis Fritz to use the area.

GIS / GPS

Karen Larsen gave a presentation of the rural addressing project. She stated that within approximately thirty days, she will have the target area completed with each residence having an assigned/address. The project is progressing, and the north western grid of the county has been addressed.

ROAD & BRIDGE

Bill Nation presented a bi-monthly report. Mr. Nation requested and received authorization to purchase a heavy equipment trailer to use in the Elk Mountain and Medicine Bow areas from Gases Plus in the amount of \$12,000.00.

Mr. Nation also presented a map prepared by the Coalbed Methane Coalition detailing the current coalbed methane activity in Carbon County. Mr. Nation stated this map will be a useful tool for him in determining what roads will need more attention as the traffic will steadily increase.

COUNTY FIRE DEPARTMENT

Dwight France updated the Board on various projects stating that his department has returned with the new fire truck and that currently, two of his water tenders are inoperable.

Mr. France reported that the 2005 BLM grant award for Carbon County totals approximately \$25,000.00 with a 10% county match of approximately \$2,500.00.

He also reported he will be applying for a \$10,000.00 grant available from Wyoming State Forestry, adding that the funding would be used towards the purchase of several oxygen bottles.

WIND-E RIDGE RESOURCES & TERRA MOYA AQUA

Dave Dameron, Francis McVay, Wynn Randall, and Richard Ottley of Wind-E Ridge Resources, Terra Moya Aqua (TMA), and First Royalty Consultants International presented a program of Joint Municipal Private Security Offering (JMPSO). According to the group, this would be an opportunity for added economic development in Carbon County and providing a financing mechanism for many projects in the county. The Commissioners agreed to read the packets and discuss the information provided.

PLANNING & DEVELOPMENT

Jonathan Schnal returned stating he spoke with the Planning Commission's legal counsel who told him he forwarded the list of questions to the Board of County Commissioners for its answers. The Board stated its intention was to have the Planning Commission come up with a list of questions for their own legal counsel to answer.

The Board directed Mr. Schnal to have Tom Thompson answer the questions presented. Commissioner Weickum also directed Mr. Schnal to have the Planning Commission proceed with the earlier direction of revisiting the Zoning Resolution.

ADJOURNMENT

There being no further business, Commissioner Meacham adjourned the meeting at 5:37 p.m.
