After a presentation by D.O.T. representatives of various ways to proceed with the project, a motion was made by Fleming, seconded by Graalman, and unanimously carried to follow Andy Long's recommendation. (Details of the work to be done are available through D.O.T. and the Carbon County Road & Bridge Department).

MEMORIAL HOSPITAL OF CARBON COUNTY

Richard Johnson, Patsy Carter, Nancy Woods, and Kermit Brown, representing Memorial Hospital of Carbon County, met with the Commissioners to discuss various health care plans and activities of their institution.

The first item of discussion was a request to seek funding for the expansion of the current hospital facility. The total project is estimated at \$1,700,000. The hospital board of trustees would provide \$700,000 through their resources and desires the county sponsor the hospital in issuance of revenue bonds with a fifteen year payback for the remaining \$1,000,000.

A motion was made by Graalman, seconded by Fleming and unanimously carried to allow Memorial Hospital of Carbon County trustees to investigate the issue of revenue bonds to fund hospital expansion.

The second item of discussion was the capital facilities tax proposition. The trustees requested the commissioners sponsor the hospital as the county project. The commissioners indicated their intention to sponsor the hospital.

The third item of discussion was home health care. A presentation was given by Nancy Woods of the hospital's home health care program. Following the presentation, the hospital representatives requested commissioner support in the application for home health care grant funds. The county's obligation would be \$7,189 local match money. The commissioners agreed to support the hospital home health care grant.

TOWN OF HANNA

Bill Coffman, representing the Town of Hanna, requested the county invest in the construction of a road to provide alternate access and egress to portions of Hanna located across the railroad tracks dividing the town. Coffman proposed the county apply for a \$1,700,000 grant to accomplish the aforementioned. The county's financial obligation would be 20% of the total project cost. The request and recommendation were taken under advisement!
